The information supplied in these tax tables are for reference purposes only, and does not represent the rendering of personalized financial, legal, or tax advice. The taxable equivalent yields represented in these tables do not include the current maximum state tax deductibility of \$10,000 per household on Federal tax returns. Actual taxable equivalent yields may be higher or lower based on individual Federal tax returns. Consult with your tax advisor for more detailed information regarding your individual situation. <sup>1</sup>Depending on your place of residence and the specific issue, bonds may be exempt from federal, state, and local income taxes. Any capital gains realized from the sale of a bond may still be subject to all taxes. F/m Investments, LLC, doing business as Genoa Asset Management ("Genoa"), is an investment advisor registered under the Investment Advisers Act of 1940. Registration as an investment advisor does not imply any level of skill or training. The oral and written communications of an adviser provide you with information about which you determine to hire or retain an adviser.
